

Do You Love Me...

Do you love Me?

Yes, I do.

Do you love Me?

You know, I do.

If You love me, you gotta understand.

If You love me, you gotta keep what I command...

Just love the Lord your God and no one else

And love your neighbor the way you love yourself

And He said, have no other gods before me.

Don't use my name in any wrong way

Remember the Sabbath days and keep them Holy

Love your father and your mother.

Don't steal from one another.

Love your wife and no others.

Don't kill your neighbor and take his stuff

Because you think that you don't have enough.

do you love Me?

Yes, I do.

Do you love Me?

You know, I do.

If You love me, you gotta understand.

If You love me, you gotta keep what I command...

Just love the Lord your God and no one else

And love your neighbor the way you love yourself.

When you love Me with all your heart,

That's where true obedience starts.

Not just in the words you say,

But in how you live from day to day.

Walk in mercy, walk in light,

Stand for truth, do what is right.

If you love Me, let it show,

In every seed of love you sow. When you love Me with all your heart,

Do You Love Me...

That's where true obedience starts.

Not just in the words you say,

But in how you live from day to day.

Walk in mercy, walk in light,

Stand for truth, do what is right.

If you love Me, let it show,

In every seed of love you sow.

Do you love Me?

Yes, I do.

Do you love Me?

You know, I do.

If You love me, you gotta understand.

If You love me, you gotta keep what I command...

Just love the Lord your God and no one else

And love your neighbor the way you love yourself

And He said, have no other gods before me.

Don't use my name in any wrong way

Remember the Sabbath days and keep them Holy

Love your father and your mother.

Don't steal from one another.

Love your wife and no others.

Don't kill your neighbor and take his stuff

Because you think that you don't have enough.

If I love You, let me be

All the things You ask of me.

Faithful, humble, good, and true,

Living every day for You.

Let my hands do what is right,

Let my heart stay in Your light.

If I love You, I will stand,

And keep Your truth just as You planned.

Do You Love Me...

Yes, I love You, Lord, I do.

Teach me now to follow You.

Write Your laws upon my heart,

So Your love won't leave or part.

I will walk the narrow way,

Closer to You every day.

Loving You above all else,

And loving my neighbor as myself.

Do you love Me?

Yes, I do.

Do you love Me?

You know, I do.

If You love me, you gotta understand.

If You love me, you gotta keep what I command...

Just love the Lord your God and no one else

And love your neighbor the way you love yourself

And He said, have no other gods before me.

Don't use my name in any wrong way

Remember the Sabbath days and keep them Holy

Love your father and your mother.

Don't steal from one another.

Love your wife and no others.

Don't kill your neighbor and take his stuff

Because you think that you don't have enough.

Do you love Me?

Yes, I do.

Do you love Me?

You know, I do.

If you love me.

Then feed my sheep
