

Praise God All Day

Through all the good times and the bad,
Whether I'm happy or I'm sad,
Even when things get very tough,
I know my God is more than enough.

Praise God for helping when times are bad.
Praise God, He makes me happy when sad.
Praise God, praise God, again I say,
I'm gonna praise my God all day.

God gives us the words of life.
Praise God, praise God!
God gives us what we pray for when it's right.
God made the heavens and the earth
And all things in them.
Praise God, praise God,
Again and again.

Praise God all day, praise Him every way,
In the morning when I rise, in the night when I pray.
Praise God, praise God, again I say,
I'm gonna praise my God every single day.
Praise God all day, praise Him every way,
Through the good times and the bad, I'll lift His name.
Praise God, praise God, let the whole world say,
Glory to the Father and Jesus Christ today.

We worship the mighty God
Because He is worthy of all praise.
Praise God, praise God, praise God,
Our God is good.
Praise God, praise God, praise God,
Our God is love.

God gave us our Savior,
Jesus Christ, who lived
And praised God His whole life,
Up until the end when
He laid down His life
To pay for all our sins.
And He rose up.
Praise, praise Jesus Christ.

Praise God All Day

Praise God all day, praise Him every way,
In the morning when I rise, in the night when I pray.
Praise God, praise God, again I say,
I'm gonna praise my God every single day.
Praise God all day, praise Him every way,
Through the good times and the bad, I'll lift His name.
Praise God, praise God, let the whole world say,
Glory to the Father and Jesus Christ today.

Praise God, praise God, praise God
For Jesus Christ.
Praise God, praise God, praise God
For eternal life.

I want to praise our Holy God,
The Father of Jesus Christ.
Praise God and Jesus Christ.
Praise God and Jesus Christ.

When I kneel down to pray,
I remember to praise.
Not just for what You've done, Lord,
But for who You are today.

You are holy, You are worthy,
You are faithful, You are true.
Father God, I praise Your name.
Jesus Christ, I live for You.

In the valley, I will praise You.
On the mountain, I will sing.
With every breath inside me,
I will glorify my King.

Praise You in the morning.
Praise You through the night.
Praise You for Your mercy.
Praise You for Your light.

Praise God, praise God,
Let every heart rejoice.
Praise God, praise God,
Let the world lift up its voice.

Praise God All Day

Praise God all day, praise Him every way,
In the morning when I rise, in the night when I pray.
Praise God, praise God, again I say,
I'm gonna praise my God every single day.
Praise God all day, praise Him every way,
Through the good times and the bad, I'll lift His name.
Praise God, praise God, let the whole world say,
Glory to the Father and Jesus Christ today.

Praise God, praise God, praise God,
He loves you and me too.
Praise God, praise God, praise God,
For everything we do.

I want to praise God, I want to praise God,
Praise our glorious God.
I want to praise God
And our Lord Jesus Christ.
Praise God, praise God, praise God,
Your whole life.

God the Father and Jesus Christ
Are coming to give us eternal life,
A life that will be full of purpose and joy,
Being one together with our God,
The Father, and Jesus Christ.

Oh, Holy God, You are worthy
Of all praise.
Oh God, I want to praise You
Today in every way.

Praise God, praise God, praise God all day.
Praise God, praise God, praise Him every way.
Praise God, praise God, praise Jesus Christ.
Praise God, praise God, for eternal life.
