

## Faith, Love, Hope & Charity

Faith — just a little will move a mountain.  
Love — the love of God grows in your heart.  
Hope — of all eternity with Jesus Christ.  
Charity, charity, charity — through the grace of God.

Faith — when the road gets long and lonely.  
Love — when the world feels cold and dark.  
Hope — when tomorrow feels so far away.  
Charity, charity, charity — let it shine from your heart.

Faith, love, hope, charity,  
These are the gifts God planted in me.  
Faith, love, hope, charity,  
Living for Jesus, setting me free.  
Faith, love, hope, charity,  
The greatest of all is the love God gives.  
Faith, love, hope, charity,  
Through His Son, forever we live.

But the greatest of all is the love God  
Gives to you through the sacrifice of  
His one and only Son.  
And the joy of all tomorrows  
Is given to us all,  
And happiness everlasting is  
Coming soon — it's coming soon.

Faith — just believe that He's always there for you.  
Love — He loves you more than you will ever know.  
Hope — for tomorrow has been planted in your heart.  
Charity, charity, charity — God has given it all to you.  
Charity — you have to give it all you have.

## Faith, Love, Hope & Charity

When you feel like life is putting you down,  
And you have nowhere to turn,  
When your heart keeps asking questions,  
When will you ever learn?  
Turn around — you will be saved.  
Call His name — He'll make a way.  
It's never gonna happen without  
Faith, love, hope, charity, faith.

Faith, love, hope, charity,  
These are the gifts God planted in me.  
Faith, love, hope, charity,  
Living for Jesus, setting me free.  
Faith, love, hope, charity,  
The greatest of all is the love God gives.  
Faith, love, hope, charity,  
Through His Son, forever we live.

When your faith feels small, hold on.  
A little spark can light the dawn.  
When love feels hard, remember grace.  
Jesus still can change this place.  
When hope feels buried in the ground,  
God can turn your life around.  
And charity is love in motion,  
Pouring out like a holy ocean.

All these remain, all these remain,  
Faith through the fire, love through the pain.  
Hope for tomorrow, grace for today,  
Charity shows us the Jesus way.  
All these remain, all these remain,  
But love is the greatest, forever the same.
