

We Must Endure

As we learn to love Jesus
More and more,
Through all the challenges of life,
We must endure.

We must endure, we must endure.
Our hurts and joys, and all this life has in store,
We must endure, we must endure.
We must endure.

We are part of the vine,
And the Father does take care of us.
He helps us prune the evil
From our heart,
So we can grow, and Jesus will
Help us to grow more and more,
And He will help us endure.

We must endure. We must endure. We must endure.
I must endure. You must endure. We must endure.

We must endure through the heartache.
We must endure through our pain.
We must endure to learn and live
A better way.

Blessed are the poor of spirit,
For them the kingdom of Heaven
Is in store.
Blessed are those that mourn,
The Consoler will help them endure.
Blessed are the meek,
They will own the earth.
Blessed are the ones who live in righteousness,
He will give them more
So they can endure.

We must endure. We must endure. We must endure.
I must endure. You must endure. We must endure.

We must endure; we must endure.
Our hurts and joys, and all this life has in store,
We must endure, we must endure.

We Must Endure

We must endure.
We must endure through the heartache.
We must endure through our pain.
We must endure to learn and live
A better way.

It takes a clean and
Pure heart to be a child
Of God.
One day we will be with
Him, one day we will
Be like Him.
All we have to do is just
Endure.

We must endure. We must endure. We must endure.
I must endure. You must endure. We must endure.

Blessed are the merciful,
The pure of heart and the peacemakers.
They will obtain mercy and
Be with God as part of His family.
That's exactly where you will be
If you endure.

We learn to love our God like
Our Father.
Of this you can be sure -
You must endure.
We learn to love each other
As we live with the Lord.
We must all endure.

We must endure because
God loves us.
We must endure to live
With our Lord.
We must endure to live
In the New Earth, in the New Heaven.

We must endure. We must endure. We must endure.
I must endure. You must endure. We must endure.

We Must Endure

We must endure; we must endure.
Our hurts and joys, and all this life has in store,
We must endure, we must endure.
We must endure.
We must endure through the heartache.
We must endure through our pain.
We must endure to learn and live
A better way.

We will see God as He is,
And we will be like Him.
We will worship Him as our God,
And we will love Him as
Our Father, if we endure.

the fiery
Darts of the devil
And the attitude that is not pure,
Look to our Lord Jesus for the cure.

Whatever it takes to make your
Future secure,
I tell you that you must be sure
That you don't want to sin
Anymore.
And it's for sure you must endure.
We must endure. We must endure. We must endure.
I must endure. You must endure. We must endure.
