

Well Done, Good and Faithful One

We'll all stand before Him
To account for all our sins
From start to finish
Each and every one

Many will fall to their knees
In shame
And their hearts will be heavy
With pain
Over all that they have done
Now that they are standing
Before the Most-High One

There is still time
To turn it all around
Before you find your life
Is almost done
So that when you stand
Before our Lord
He will say,
“Well done, good and faithful one.”

I wanna hear those words
I wanna see Your face
I wanna stand before You, Lord
Covered by Your grace
I wanna live my life
Till this race is run

Well Done, Good and Faithful One

Just to hear You say,
“Well done.”

Well done, well done,
My good and faithful one
Well done, well done,
My good and faithful one
You lived a life that is faithful
To the one true God and His only Son.
Well done, well done,
My good and faithful one

Because of all the things you do
To follow Me
The righteous Judge,
God’s only Son
I say, well done,
Good and faithful one

You put the Lord our God
Before all other things
You seek the Kingdom first
You look to Christ
As your King of kings

You always tried to follow
The Spirit in what you do
And our Father God

Well Done, Good and Faithful One

Came to live in you

That's why I say,

My lovely one,

Well done, good and faithful one

Each and every one of us

Work it out for ourselves

But there are so-called righteous ones

Who believe they need no help

They make the rules

For themselves

They are just building

A road to hell

In the end

They won't get any help

No help

Until they bow

To the Holy One

Jesus Christ

For a chance again

Begging not to lose

Eternal life instead

There is still time

Well Done, Good and Faithful One

To turn it all around
Before you find your life
Is almost done
So that when you stand
Before our Lord
He will say,
“Well done, good and faithful one.”

I wanna hear those words
I wanna see Your face
I wanna stand before You, Lord
Covered by Your grace
I wanna live my life
Till this race is run
Just to hear You say,
“Well done.”

Well done, well done, well done
Oh righteous Holy One
God’s only Son
Who gave His life for everyone
So that God can lose no one

Well done, O righteous Judge
Jesus Christ, You are the One

There is a new heaven and earth
That is coming

Well Done, Good and Faithful One

At the very end of days
Where righteousness will dwell
In everyone, in every way.

We will all be Spirit beings that day
And the ones who stand
On that Judgment Day
And did not hear, "Well done,"
They have a choice to make

Either death forever in the fiery lake
Or learn to live in a world tomorrow
Ruled by God's Son

He's the righteous Judge
Waiting to say to you,
"Well done."

To hear those words
You need to put God the Father as number one.

To hear those words
You need to believe in the Righteous One, His Son.

To hear those words
You need to learn how to repent and
Turn it all around
And make you and Christ as one.

Well Done, Good and Faithful One

Everyone who wants to hear those words,
“Well done,”
Has to be one with God and His Son
And the three of you will all be as one.

And Jesus will turn to you and say,
“Well done, good and faithful one.”

Well done, well done,
My good and faithful one
Well done, well done,
My good and faithful one
You lived a life that is faithful
To the one true God and His only Son.
Well done, well done,
My good and faithful one

What will the account be
That you will give to Him
When He returns?

Are you listening
To what you hear?
Are you trying to learn?

Are you really working
To change who you are?

Well Done, Good and Faithful One

Many will fall to their knees
In shame
And their hearts will be heavy
With pain
Over all that they have done
Now that they are standing
Before the Most-High One

There is still time
To turn it all around
Before you find your life
Is almost done
So that when you stand
Before our Lord
He will say,
“Well done, good and faithful one.”

So we can hear,
“Well done, good and faithful one.”

Cleanse us from all unrighteousness,
My Lord
Help us to draw closer to You
More and more

We renounce all of our sins
We want to love You, Lord

Well Done, Good and Faithful One

And make You the only One

Looking forward to that day

You say,

“Well done, good and faithful one.”

If you don't want to hear Jesus say,

“I never knew you,”

You have to make sure,

On that day,

Jesus Christ sees a new you.

That day you and Christ

Will be as one.

That's why He can say,

I wanna hear those words

I wanna see Your face

I wanna stand before You, Lord

Covered by Your grace

I wanna live my life

Till this race is won

Just to hear You say,

“Well done.”

Well done, well done,

My good and faithful one

Well done, well done,

Well Done, Good and Faithful One

My good and faithful one
You lived a life that is faithful
To the one true God and His only Son.
Well done, well done,
My good and faithful one

Well done, good and faithful one
Well done, well done,
My good and faithful one
