

Standing on the Rock

Standing on the Rock
Standing on the Rock
The Rock of Ages
Named Jesus Christ

Standing on the Rock
Standing on the Rock
Standing on the Rock
Who will save your life

Standing on the Rock
He'll hold you
Standing on the Rock
He'll catch you
Standing on the Rock
He'll help you always

He is the Rock of Ages the Cornerstone
that will not move
The Stone that was rejected
But chosen strong and true

Standing on the Rock
Standing on the Rock
The Rock of Ages
Named Jesus Christ

Don't place your confidence
In what you have
In what you do
Remember, it's not up to you

Don't put your confidence
In what you know
Or what you feel
But put all your confidence
In Him — Jesus

Standing on the Rock
He'll hold you
Standing on the Rock
He'll catch you
Standing on the Rock
He'll help you always

Standing on the Rock

Standing on the Rock
He'll hold you
Standing on the Rock
He loves you
Standing on the Rock
Named Jesus

In the desert He brought water
From the Rock when they were dry
Now He gives us living water
That will never run dry

Don't let yourself be
Stressed and worried
You just have to
Trust in Him

Standing on the Rock
Standing on the Rock
The Rock of Ages
Named Jesus Christ

Standing on the Rock
Standing on the Rock
Standing on the Rock
He will save your life

Don't let trials get you down
Set your feet on solid ground
He'll build a wall around you
He is able to protect you

He is the firm foundation
The Rock beneath my feet
When the whole world starts shaking
In Him I have peace

Don't place your confidence
He is the Rock of Ages the Cornerstone
that will not move
The Stone that was rejected
But chosen strong and true

In what you have
In what you do
Remember, it's not up to you

Standing on the Rock

Don't put your confidence
In what you know
Or what you feel

Standing on the Rock
He'll hold you
Standing on the Rock
He'll catch you
The Rock of Ages
He'll help you again and again if you
Always stand on the Rock

You will be safe and sound
If you keep standing on the Rock
Named Jesus the Christ

He is the Cornerstone
The Rock that will not move
The Stone that was rejected
But chosen strong and true

Standing on the Rock
Standing on the Rock
The Rock of Ages will cleft to you
Named Jesus Christ

Standing on the Rock
Standing on the Rock
Standing on the Rock
He will save your life
