

Father, Hear Me

Oh, my Father, I know
You are there.
Oh, my Father, I know
That You care.
Father, hear me.
I love You.
Father, hear me.
I want to hear You too.
Father, hear me
When I pray to You.
Oh, my Father,
In the name of Jesus Christ,
I pray.
Father, hear me, please.
Hear everything I pray.
Oh Father, hear me,
Father, hear me,
Every day.
Help me to walk Your way.
Please keep my family safe.
Bless Your people every day.
Bless this country, the USA.
Open up the hearts
Of all our leaders.
Give more wisdom
To all our teachers.
Keep our first responders,
firemen, police and soldiers
Safe from harm.
Please hold us all close
In Your loving arms.
Father, hear me.
Father, hear me.
In the name of Jesus Christ,
I pray.
Father, hear my cry.
Father, hear my cry.
In the name of Jesus Christ,

Father, Hear Me

I pray.

Jesus said we should

Pray in His name,

And You would hear me.

Yes, I know You hear me

Every day.

Father, hear me

When I pray to You.

Oh, my Father,

In the name of Jesus Christ,

I pray.

Father, hear me, please.

Hear everything I pray.

Oh Father, hear me,

Father, hear me,

Every day.

Help me to walk Your way.

Please keep my family safe.

Bless Your people every day.

Bless this country, the USA.

Open up the hearts

Of all our leaders.

Give more wisdom

To all our teachers.

Keep our first responders,

firemen, police and soldiers

Safe from harm.

I know Your Spirit

And Jesus Christ

Dwell within me.

And You are with me

Everywhere I go.

I feel Your presence

In my life every day.

I talk to You

Throughout the day.

Oh Father, I know You hear me

When I pray.

Father, Hear Me

On our knees,
We come before You, Lord.
Help us to learn
To love You more and more.
Let Your mercy and grace
Go out across our land.
Help each and every one of us
To understand.
That we are all a part
Of Your master plan.
And You will fill the hearts
Of each woman and man.
From the hills and lakes
To the streams and valleys,
Throughout all the cities
And towns.
Across this great country
Of ours,
From sea to sea
And from coast to coast.
God bless the people
Throughout this land.
Hold us forever
In Your loving hands.
In the name of our Lord
Jesus Christ forevermore,
Our King,
And our Lord.
Father, hear me, please.
Hear everything I pray.
Oh Father, hear me,
Father, hear me,
Every day.
Help me to walk Your way.
Please keep my family safe.
Bless Your people every day.
God please, bless the USA.
Open up the hearts
