

Take Away My Sin

By nature, I'm a sinful one
With sinful deeds and sinful thoughts
Like the prodigal son

I have wandered far away
But I'm coming home today
I can't clean myself, Lord
Only You can make me whole

Take away my sin,
Take away my sin,
Oh Lord God, make me clean again

Take away my sin,
Wash me deep within,
Give me a clean heart, Lord,
Make me new again

Father, You know I realize that
My sins are all washed away
By the righteous, holy blood
Of Jesus Christ,
My Lord, today

In this world there are
So many ways to sin
On the TV, on the radio,
On social media

Swiping through my life
Seems without an end
Never knowing
A true and faithful friend

Jesus is my friend
He'll take away my sin

Take away my sin,
Take away my sin,
Oh Lord God, make me clean again

Take away my sin,
Wash me deep within,

Take Away My Sin

Give me a clean heart, Lord,
Make me new again

The heart of man is sinful
Above all things
The heart of man is hard like stone
Without Jesus, we have no hope

Take away my sin
So I can worship You
Soften up my heart
And help me to love
Everyone the way You do

Take away my sin
So I can truly love You

Take away my sin,
Take away my sin,
Oh Lord God, make me clean again

Lord, break the chains
That hold my heart
Pull me close
And don't let me depart

Let Your mercy cover me
Let Your Spirit set me free
I surrender all I am
To the blood of the Lamb

Take away my sin,
Take away my sin,
Oh Lord God, make me clean again

Sin infects a heart that
Is not filled with Jesus
Ask Jesus into your life
Ask Jesus into your heart

If you do that, you will have
A heart that is healed
By Jesus Christ

Take Away My Sin

The heart of man is sinful
Above all things
The heart of man is hard like stone
Without Jesus, we have no hope

Take away my sin
So I can worship You
Soften up my heart
And help me to love
Everyone the way You do

Take away my sin
So I can truly love You

Take away my sin,
Take away my sin,
Oh Lord God, make me clean again

Take away my sin,
Wash me deep within,
Give me a clean heart, Lord,
Make me new again

Oh Lord God, make me clean again
Oh Lord God, make me clean again
So I can worship You
And truly love You
Oh Lord God, make me clean again
