God brings miracles to  
Those who trust in Him  
The miracles of God can  
Come to you if you call on Him  
If you love Him

A miracle can fix a broken bone  
A miracle can fix a broken soul  
With a miracle Christ will take control  
Pray to God for a miracle He'll bring a miracle to you

Bring me a miracle  
Bring me a miracle  
A miracle that will help me to honor Him  
Bring me a miracle  
Bring me a miracle  
To help me run this race to win

Miracles oh oh miracles oh oh oh  
Miracles oh oh miracles oh oh oh  
Miracles, Miracles, Miracles  
We all need miracles don't you know

There are miracles every day  
There are miracles all along the way  
There are miracles you may not see  
There are miracles, There are miracles  
Miracles for what you need

Bring me a miracle I pray  
Oh, Lord I need a miracle today  
My Lord God I know that you hear  
Bring me a miracle please answer my prayer

Have you ever wished that  
God would hear your prayers  
But I want you to know  
He is still here and He really cares.  
He waits to send you a miracle

# Miracles

And you know He can  
You are already a miracle, the miracle of man

With a miracle God created The universe  
With a miracle God created Man  
With a miracle God gave us  
Christ, His only Son  
And with a miracle  
Jesus died and rose up to live again

And with a miracle God  
Will change your life  
And with a miracle He  
Will set things right

Do you believe in miracles – (yes, I believe)  
Do you believe God will help you – (yes, I believe)  
Do you believe in miracles – (yes, I really do)

Oh Lord, bring a miracle  
To me, a miracle that I can see  
A miracle from up above  
A miracle that will fill my  
Life with love

Bring me a miracle  
Bring me a miracle  
A miracle that will help me to worship Him  
Bring me a miracle  
Bring me a miracle  
I wanna sing this song to Him

There are miracles all along the way  
There are miracles you may not see  
There are miracles, There are miracles  
Miracles for what you need

In His great love, Jesus gave  
His life for everyone

## Miracles

And by the power of God  
He rose—and the victory was won

Bring me a miracle I pray  
Oh, Lord I need a miracle today  
My Lord God I know that you hear  
Bring me a miracle please answer my prayer

The greatest miracle I could receive  
Is a heart that trusts and truly believes  
Change my life and make me new  
Let the world see Christ in all I do  
More than a sign my eyes can see  
Lord, work Your miracle in me

Miracles oh oh miracles oh oh oh  
Miracles oh oh miracles oh oh oh  
Miracles, Miracles, Miracles  
We all need miracles don't you know

Of the days there are many  
But to all of us our days are few,  
So, I want to spend  
The rest of my days loving  
You my lord Jesus Christ  
Because, my loving Lord,  
Oh, I truly do trust You

With a miracle God created The universe  
With a miracle God created Man  
With a miracle God gave us  
Christ, His only Son  
And with a miracle  
Jesus died and rose up to live again

And with a miracle God  
Will change your life  
And with a miracle He  
Will set things right

# Miracles

God's miracles will help me  
Whenever I'm sick  
God's miracles will help me  
To keep my focus on Him  
God's miracles will sustain me  
Whatever situation I'm in  
God's miracles will fill my belly  
And fill my soul when everything  
Seems to be out of control  
That's when God will send a miracle  
When we need them

Do you believe in miracles – (yes, I believe)  
Do you believe God can save you – (yes, I believe)  
What would it take for you to believe – (I already do)

Bring me a miracle  
Bring me a miracle  
A miracle that changes me within  
Bring me a miracle  
Bring me a miracle  
Help me run this race to win

Miracles oh oh miracles oh oh oh  
Miracles oh oh miracles oh oh oh  
Miracles, Miracles, Miracles  
We all need miracles don't you know

Bring me a miracle, I pray  
Oh Lord, I need Your help today  
My Lord God, I know that You hear  
Bring me a miracle and draw me near

There are miracles every day  
There are miracles all along the way  
There are miracles you may not see  
There are miracles, There are miracles  
Miracles for what you need
