

We Are the Children of God

[Verse 1]

We are all the children of
Our God
We are born to Him thru love
When He opens up our heart
He loves us each and every one
Because we are saved thru His Son
He loves us like His only Son
He loves us like His only one
For us all to live forever
And live on and on

[Hook]

We are the children of God, We are the children of God
He loves us like His only one
We are the children of God, We are the children of God
He loves us like His true one and only Son Jesus Christ
Yes, that's right We are the children of God

[Bridge]

We are the children of God
God loves us no matter who we are.
Christ came to die for you and me
So we can be All children of God.

[Chorus]

We are the children of God, that's who we are.
That's right We are the children of God
He calls us to Him and clothes us all in white
We are the children of God, that's who we are.
That's right We are the children of God
He gave us Jesus Christ
So we could become
The children of God

[Verse 2]

Every day when you pray
You always need to say
Thank You, Father, for making
Me this way.
We are each and every one
Precious in His sight
Since before the world was born
And we are meant to be children of light
We are the children of God

We Are the Children of God

[Hook]

We are the children of God, yes, We are the children of God
He loves us like His only one
We are the children of God, We are the children of God
He loves us like His true one and only Son Jesus Christ
Yes, that's right We are the children of God

[Bridge / Chorus]

On the pathway to eternal life
We gotta do what is right
Remember that your brother
Jesus gave up His own life
He lived a perfect life
Tempted by all sins
And told us that our Father
Will raise Him up again

[Verse 3]

Lord Jesus Christ show us what to do to follow you
Every day oh lord Jesus my brother I pray
Help us all along the way and I said
Please keep your family safe
From the fiery darts of the evil one.
Yes, is say, keep us all
Safe from harm

[Hook]

We are the children of God, yes, We are the children of God
He loves us like His only one
We are the children of God, We are the children of God
He loves us like His true one and only Son Jesus Christ
Yes, that's right We are the children of God

[Bridge / Chorus]

When you wake up after
You die
And when you face our Lord Jesus Christ
Remember that He gave His life for us
Believe in a God that you can trust
If you claim Him as your Lord
He will give to you eternal life
Forevermore.

[Outro]

And when He says
"Well done,
My good and faithful one,"

We Are the Children of God

We will stand before the Father
Through the sacrifice of His Son
Then we'll hear Him tell us
What we've waited for so long:
"You are My beloved children—
Welcome home"

[Chorus]

We are the children of God, that's who we are.
That's right We are the children of God
He calls us to Him and clothes us all in white
We are the children of God, that's who we are.
That's right We are the children of God
He gave us Jesus Christ
So we could become
The children of God
