

Guard Your Mind

[Verse 1]

The battle lines are drawn
The adversary wants your mind
The thought police want to capture
Your hope
That's why you got to
Guard your mind, you gotta know

[Bridge 1]

Guard your mind, guard your soul
Don't let Satan take control
Guard your mind, guard your heart
Resist the devil, he will depart

[Chorus]

Guard your mind
Don't fall prey to the ways of the
World today
Guard your mind
Don't be a slave to the prince of this
World – and follow Satan's way
Guard your mind
Guard your mind, guard your mind
With the power of Jesus
He will open a door so that you can walk right thru
And He will protect you; He will help you
Guard your mind, Guard your life – you know you can

Guard your mind, Guard your mind, Guard your mind I say
Guard your mind, Guard your mind, Guard your mind Every night and every day

[Hook 1]

Guard your mind
Guard your soul
Guard your heart
Guard your home
Guard your eyes
Guard your ears
Guard your mouth

Guard Your Mind

Guard your mind
Throughout the years

[Verse 2]

Satan is the father of lies
He wants to control your mind
He wants to hide the truth from you
That's why you have to know what I say
Guard your mind, each and every day

[Bridge 1]

Guard your mind, guard your home
You don't have to stand alone
Guard your mind, guard your heart
Resist the devil, he will depart

[Chorus]

Guard your mind
Don't fall prey to the ways of the
World today
Guard your mind
Don't be a slave to the prince of this
World – and follow Satan's way
Guard your mind
Guard your mind, guard your mind
With the power of Jesus
He will open a door so that you can walk right thru
And He will protect you; He will help you
Guard your mind, Guard your life – you know you can

Guard your mind, Guard your mind, Guard your mind I say
Guard your mind, Guard your mind, Guard your mind Every night and every day

[Hook 1]

Guard your mind
Guard your soul
Guard your heart
Guard your home
Guard your eyes

Guard Your Mind

Guard your ears
Guard your mouth
Guard your mind
Every day throughout your life

[Verse 3]

You shuffle through each day
Always living on the edge
With all the fears and worries
That keep running through your head
You worry about your job,
you worry about your wife
You worry about your bills
And all the troubles in your life
You worry about the news
And how it all affects you
But give those thoughts to Jesus
And let Him carry you

[Chorus]

Guard your mind
Don't fall prey to the ways of the
World today
Guard your mind
Don't be a slave to the prince of this
World – and follow Satan's way
Guard your mind
Guard your mind, guard your mind
With the power of Jesus
He will open a door so that you can walk right thru
And He will protect you; He will help you
Guard your mind, Guard your life – you know you can

Guard your mind, Guard your mind, Guard your mind I say
Guard your mind, Guard your mind, Guard your mind Every night and every day

[Hook 1]

Guard your mind

Guard Your Mind

Guard your soul
Guard your heart
Guard your home
Guard your eyes
Guard your ears
Guard your mouth
Guard your mind
Every day throughout your life

Guard your mind, Guard your mind, Guard your mind I say
Guard your mind, Guard your mind, Guard your mind Every night and every day

[Bridge]

Think on what is honest
Think on what is true
Let the words of Jesus
Make your mind brand new
Take your every thought
And bring it to the Lord
Guard your mind with prayer
And the power of His Word

[Outro]

Guard your mind
Guard your heart
Walk with Jesus from the start
Hold to truth
And walk in light
Jesus Christ will guard your life
Guard your mind
Guard your mind
Every day and every night
