

There's a Kingdom Yet to Come

[Intro]

There's a Kingdom yet to come
Established in righteousness
There's a Kingdom yet to come
And it will last forever

[Verse 1]

The throne of David will be raised
The King of kings will rule in grace
Truth and justice will fill the land
And every nation will understand

The law will go forth from Zion
God's Word from Jerusalem
Jesus Christ will rule the world
In the Kingdom yet to come

[Chorus]

Come, Kingdom, come
Come, Kingdom, come
Let the will of God be done

Come, Kingdom, come
Prepare my heart and lead my way
Help me live the Kingdom way today
And serve with Christ forever
In the Kingdom yet to come

[Verse 2]

I am now a soldier in the army
Of the living God
With His truth wrapped around me
And His righteousness as armor on

He is training me to serve Him
For the work that must be done
To be a king and priest with Jesus
In the Kingdom yet to come

The saints will teach the ways of God
And help the nations understand
They will judge with truth and mercy
Under Christ's commanding hand

[Chorus]

There's a Kingdom Yet to Come

Come, Kingdom, come
Come, Kingdom, come
Let the will of God be done

Come, Kingdom, come
Prepare my heart and lead my way
Help me live the Kingdom way today
And serve with Christ forever
In the Kingdom yet to come

[Verse 3]

They will rebuild ancient ruins
Raise the cities long destroyed
Comfort those who lived in sorrow
And teach the world to live in joy

They will build and live in houses
Plant the fields and eat their yield
No more working all their lifetime
Just to lose the home they built

The desert lands will bloom with flowers
Living waters freely run
Songs of joy will fill the cities
In the Kingdom yet to come

[Bridge]

Every man beneath his own vine
Every family safe and free
Children playing in the streets
Living peacefully

The wolf will rest beside the lamb
And none will hurt or overcome
The knowledge of the Lord will fill
The Kingdom yet to come

[Final Chorus]

Come, Kingdom, come
Come, Kingdom, come
Let the will of God be done

Come, Kingdom, come
Let the whole world see the Son
There'll be no more pain or crying
No more sin and no more dying
In the Kingdom yet to come

There's a Kingdom Yet to Come

[Outro]

There's a Kingdom yet to come
Established in righteousness
Come, Kingdom, come
And it will last forever
